SERIES: MADE

MESSAGE

We're continuing our MADE series, where we're discovering who God created us to be. This week, we explored the story of Moses in Exodus and how God called him to free His people. Moses was made with a purpose, and that purpose made a huge difference!

The same is true for your child —God made them with a purpose! Today, we encouraged them to be difference-makers wherever they go by knowing Jesus and making Him known.

PARENT CUE

At a meal this week, have everyone at the table answer this question: "What are some ways we've seen each other make a difference?"

As your kid starts their day, let them know about a time they made a difference in your family, at school, at church, on their team, in your community, etc.

While on the go, ask your kid: "What are some ways people can make a difference each day?" (Be nice to others, reach out to people who are lonely, bring in trash cans for neighbors, etc.)
